Community Housing

It is necessary for Toronto Community Housing to review and to question some of our practices that are considered “safety” and or “security”. I recommend TCHC, to end third party agreements that allow the police to target anyone in Toronto Community Housing.

Toronto Star’s report on this matter in the above link.

[Deals that allow police to stop anyone at any time on Toronto community housing property should be abolished, says racism probe](#) - Toronto Star.

Thanks,
