Item 4 - Confirmation of the Public Meeting Minutes of July 3, 2024  
GCHRC Public Meeting - September 4, 2024

Written deputation- Jacqueline Yu.

Item 4 Confirmation of the Public Meeting Minutes of July 3, 2024 item 10-  
Deputation Policy by stakeholders.

Good morning , Madam Chair Douglas and Community Members.

My name is Jacqueline Yu and I am a tenant of TCHC.

Thank you for the opportunity to share my comment on item 4  
Confirmation of the Public Meeting Minutes of July 3, 2024 item 10-  
Deputation Policy by stakeholders.

On July 3 , 2024 GCHRC public Meeting , 3 tenants including myself  
requested.

1. Tenant Engagement staff Create a tenant/staff working group to assist  
tenants in preparing deputation or worksheets that would provide step by  
step instructions on how to prepare a deputation and design a  
tenant Deputation Template.

2. To work with Communications staff to create a  
Permanent Community Poster.

3. To provide training sessions for tenant Reps. and other Members of the Tenant Engagement system, followed by general Tenant Information meetings Portfolio wide.

Chair Douglas approved all the above proposals by tenants for additional Focus Group Members.

I have reviewed the materials for Sept. 4 , 2024 GCHRC Meeting. The minutes regarding July 3, 2024 Item 10, deputation policy do not indicate all the newly approved items and the minutes do not fully reflect the reality.

Thank you for your attention to these overlooked issues.
