Introduction

Hello!

If you are reading this, you are someone who has an idea for a project or initiatives to address your community priorities and you are committed to being a leader for change in your community.

This package includes all the information you will need to apply for Centre Community Funds and turn your idea into action.

The Confronting Anti-Black Racism (CABR) Strategy was created following input and extensive consultations from over 700 Tenants and staff in 2020 and 2021. Toronto Community Housing's (TCHC) Board of Directors approved the CABR Strategy, the Centre for Advancing the Interests of Black People ("The Centre") and the CABR Action Plan in 2021.

As part of the CABR Strategy, The Centre is responsible for implementing an eight-point plan that places TCHC's focus on eight major outcomes for both tenants and staff:

1. Decent and fair housing
2. Meaningful economic investment
3. Healthy children, youth and families
4. Access to culturally responsive health and mental health services
5. Community-centered safety
6. Divesting from police culture
7. Uplifting social support networks
8. Addressing anti-Black racism and cultural redress

Engagement with Black tenants, tenant groups and communities is essential to the success of the eight-point plan. The Centre aims to make sure tenants can access resources to forward the objectives of the CABR Strategy. In collaboration with the Centre and the Tenant Action Fund Tables, we will distribute Centre Community Funds to tenants or tenant groups.

Members of The Centre team and representatives from Tenant Action Fund Tables will review and approve requests by tenants and tenant groups to fund projects and initiatives that will respond to the eight-point plan.
