

TCHC Garden Proposal Form

All tenants interested in creating a new community garden space on Toronto Community Housing Corporation's (TCHC) property must complete this form to submit a proposal.

Minimum participation required to create a community garden:

- Allotment or collective gardens: signatures from five households
- Beautification gardens: signatures from two households

Once submitted, your proposal will be reviewed by our team. Please note that submitting this form is the first step, and does not guarantee that a garden will be approved or created. Gardens are approved based on factors such as space availability, feasibility, and available resources.

Permission to participate in community gardening activities is granted according to the terms set out in the **Community Garden Policy**.

Please fill out all fields. We will be unable to process this agreement if it is incomplete.
