Land Acknowledgement

We acknowledge that Toronto Community Housing is on the traditional territory of many Nations, including the **Mississauga's of the Credit**, the **Anishinaabeg** [AH-nish-NAW-bay], the **Chippewa**, the **Haudenosaunee** [HUD-ne-SHOW-knee], and the **Wendat** and is now home to many diverse **First Nations**, **Inuit**, and **Métis** [may-TEE] peoples. We also acknowledge that

Toronto is covered by **Treaty 13** with the **Mississauga's of the Credit**.

We respectfully acknowledge those First Peoples who have been stewards and caretakers of these lands and waters, and that today remain vigilant over their health and integrity for generations to come.

In the spirit of truth and reconciliation, we acknowledge that these treaties have not always been **honored**, and often they have been broken. We also acknowledge that we are all a part of building good relations. We **endeavor** to go beyond land acknowledgments to material support and advocacy to forward Indigenous people's interests.

We are all a Treaty people.

African Ancestral Acknowledgement

Speaker: We acknowledge all Treaty people: including those who came here as settlers and immigrants, either in this generation or in generations past.

All: And we recognize those of us who came here involuntarily, particularly those brought to these lands as a result of the Trans-Atlantic Slave Trade and Slavery.

Speaker: We pay tribute to those ancestors of African origin and descent.

All: We honour their enduring legacy, resilience, and contributions to this land.

Tenant Council: Tenant Service Offices

Background

- Tenant Service Hub (“Hubs”) model was originally proposed in 2019 to provide tenants with a **“one-stop shop”** bringing services closer to tenants.
- 134 locations and three Regional Offices would **replace** the existing **13 OUs** locations. The model was implemented between 2019 - 2022.
- The model **fell short** of both the organizations and tenant’s expectations with 64 locations opened, ~50% of the target offices.
- Between 2023 – 2025, TCHC conducted extensive reviews of the model and found **three gaps**.

Stakeholder Buy-In

Staff and tenants were not properly consulted.

Staff Shortage

Staffing shortages created inconsistent services for tenants.

Tenant Council Co-Chair

Question: Does anyone know what is a co-chair?

What the Role Is & How It Works

What is a Co-Chair?

A Co-Chair is a tenant council volunteer who helps guide Tenant Council meetings alongside the Part. It's a shared leadership role that makes meetings smoother, more organized, and more inclusive.

What Co-Chairs Do

- Help open and close the meeting
- Support the Participation Coordinator in guiding discussions
- Make sure everyone gets a chance to speak
- Help keep the meeting on track
- Bring forward ideas or concerns raised by tenants
- Work as a team. No one is doing this alone

What Co-Chairs *Don't* Have to Do

- They don't take minutes
- They don't solve problems on the spot
- They don't speak for the whole community
- They don't handle conflicts alone

What the Role Is & How It Works

Who Can Be a Co-Chair?

- Any representative on the tenant council

How Co-Chairs Will Be Chosen

- At Tenant Circle, we'll ask who would like to volunteer
- If more than two people volunteer, we'll use a simple, fair method (names in a hat or a quick vote)

Why This Matters

- It gives tenants real leadership opportunities
- It builds community ownership
- It makes meetings more balanced and inclusive
- It ensures no one person carries the whole load
